

WSG

White liquid spray grease

Description

MOLYSLIP WSG is a high-performance, sprayable grease suitable for use in a wide range of applications within the food and beverage processing industry including both plain & anti-friction bearings, slides, pins, bushes and chains. The thermally stable base fluids provide long lubrication life with added components to provide protection from wear, oxidation and corrosion encountered in harsh environments.

MOLYSLIP WSG formulation components are in strict compliance with US FDA 21CFR 178.3570 – Lubricants with incidental food contact and registered with NSF as a H1 Incidental food contact product.

Features and benefits

- NSF H1 Registered (167240)
- Convenient aerosol application.
- High degree of water resistance.
- Excellent penetration properties.
- 360° spray can.

Instructions for use

Shake can well before use. Apply from a distance of 15-30cm (6 - 12inches). Do not spray near naked flames or incandescent material. Use in a well-ventilated area.

Storage

MOLYSLIP WSG should be stored in original, unopened packaging, out of direct sunlight at temperatures between 5°C and 35°C. The most up to date shelf life information for Molyslip products can be found on the certificate of analysis issued at the time of manufacture.

Packaging and product code

Code	Pack
M476004	400 mL aerosol

Technical data

WSG

White liquid spray grease

Technical data

Property	Test method	Result
Appearance	-	Semi-fluid white grease
Base fluid	-	PAO / PIB
Propellant	-	Liquified hydrocarbons
Consistency as grease	IP 50	NLGI 00
Drop point as grease	IP 396	>140°C
Effective temperature range	-	-40°C up to + 80°C

Note: these values are typical only and do not constitute a specification. Results relate to the applied film after evaporation of the carrier solvent.

Limited warranty information

The information contained herein is offered in good faith and is believed to be accurate. However, because conditions and methods of use of our products are beyond our control, this information should not be used in substitution for customer's tests to ensure that our products are safe, effective and fully satisfactory for the intended end use. We accept no liability for any loss and/or damage arising from a failure to store our products in accordance with the information contained in this technical sheet.

Metalube Group's sole warranty is that our products will meet their quality control specifications in effect at the time of shipment. Your exclusive remedy for breach of such warranty is limited to refund of purchase price or replacement of any product shown to be other than as warranted.

To the fullest extent permitted by applicable law, Metalube Group specifically disclaims any other express or implied warranty of fitness for a particular purpose or merchantability. Metalube Group disclaims liability for any incidental or consequential damages.
